re: typing hours

Dear Mr. & Mrs. Weisberg,

Below please find my most recent time sheet submission. It includes the work for the chapters, "Oswald as an Imagined Snitch," and "David Belin's Rosetta Stone," both of which I have completed, and a portion of the work I've done with "Max Holland: Commission Defender and 'Historian'". I am also enclosing the receipt for $3.00 for sending you chapters 42, 43 and 45. Thanks so much for covering this charge - I appreciate it very much! I am hoping and praying that the documents got to you safely, so please-oh-please let me know if for some reason they did not, as of this note.

Take good care, and let me know if I can do anything further for you.

Sincerely,

Jamie

P.S Do I need to claim this as income on my tax return? Thanks -
